Reformed Leaders Endorse the *Greatest Century of Reformation*

Dr. Jay Grimstead of the Coalition on Revival has written the Introduction and the book includes Forewords from Dr. Philip Kayser, Mike Evans, Dr. Fritz Haus, Dr. Shai Mulder, Rev. Bill Bathman, Alison Shortridge, Dorothea Scarborough, Rev. Mike O'Donovan, Pastor Mike Kiley and Dr. Martin Holdt.

From the Forewords

Here are some excerpts from these leaders and what they say about *The Greatest Century of Reformation* book:

*“Dr. Peter Hammond’s newly revised book **The Greatest Century of Reformation** is a gem, it is spiritual dynamite. It is not just a fantastic reference; it is a fantastic devotional read. Peter does not just present facts; he applies them to God’s glory and for the good of the Church. We live in a time when the lessons of the Reformation are desperately needed and this book extracts those lessons in powerful ways.”*

Rev. Phillip G. Kayser, PhD, President of Providential History Festival.

“There has never been a greater need for a book on the Reformation than now. To be reminded of the major battles of yesterday and the men who paid the supreme sacrifice for the upholding of Truth, is vital if the present generation is not to sell out to the trends and the fads which are

culturally inherited and have nothing to do with the Gospel as revealed once and for all to the saints!"

Mike Evans, Director General, Évangile 21.

"It is an inspiration for our Faith in Jesus Christ and the Bible. I heartily endorse and recommend this Reformation Book."

Dr. Fritz Haus, Baptist Theologian and Missionary.

"The Reformation reminds us of ordinary Christians of the past, who stood their ground as brave soldiers of the Cross of Jesus Christ! We as soldiers of Christ's Army are challenged by Luther, Calvin and other war heroes, to stand our ground in the 21st Century, to make a difference and to seek the face of God for Revival. Let us take up the challenges of our day, by facing the music, not running away, taking the bullet from the front and not from the rear. "Trust in the Lord with all your heart and lean not on your own understanding; in all your ways acknowledge Him and He shall direct your paths." Proverbs 3:5-6. May God give us Godly wisdom according to James 1:5 and that we soldiers of Jesus Christ will keep our eyes on our Lord and Saviour Jesus Christ (Hebrews 12:2)."

Dr F Shai Mulder, Back to the Bible Mission.

“This book is the fruit of many years of diligent study, searching historical records and personally visiting all the major geographical centres of Reformation activity in Europe. I recommend this book as a classic crash-course in understanding how the Protestant Reformation changed forever the history of Western Civilization.”

Rev. Bill Bathman, Author of *Going Through* and [Going On](#).

“Peter Hammond has undertaken a monumental task in producing a book to help inform us of our Christian history and heritage. As he discusses each Reformer, we are inspired anew as we see what Christ did with these ordinary and yet extraordinary, individuals and how His purposes were realized. I also encourages us to continue their work in our day.”

Alison Shortridge, Co-Director: Theocentric Christian Education.

“This book makes us proud of our noble Christian heritage. It shows Who God is, what He says, what He has done and how He works. It strengthens faith and raises courage. May the Lord use it to accomplish great things in our time.”

Dorothea Scarborough, Founder of Gospel Defence League.

*“Dr Peter Hammond's book **The Greatest Century of Reformation** is a must-read for any believer who recognizes the cultural decay that has beset the Western world and who longs to see the restoration of a fully authentic and comprehensive Biblical Christianity in our time. The Great Reformation of the sixteenth century was a historical watershed that involved an astounding return to Biblical Faith that reset the foundations for an ascendant Western civilization that demonstrated the power of godly order in society. May God raise the same spirit of Reformation and Revival in our day, in a tide- turning outpouring of His mercy and power that unseats the wickedness and darkness that seeks to dominate our age.*

The Greatest Century of Reformation

will be a vital tool and indeed an effective weapon in the hands of many.”

Rev. Mike O'Donovan, His Heart Beat Ministries.

“Be awakened to courage as you walk in the path of God's messengers during this period of Reformation. Experience a fresh awakening to Faith as you witness God's sovereign power at work when a man or woman places their trust in Him. Walk in the steps of the Reformers and watch them challenge the impossible. In this most perilous hour of history, do we dare believe that God will act in that way again in our time?”

Pastor Mike Kiley, Founder of The Home Church.

“Reading Peter Hammond's outstanding outline of what happened then will surely stimulate a yearning for a Reformation to come upon the Church of Jesus Christ again. We are deeply indebted to Peter Hammond for a fresh and excellent reminder of the facts of history concerning the greatest century of Reformation. What a book, and how sorely needed is this new book!

‘Will You not revive us again, that Your people may rejoice in You?’ Psalm 85: 6”

Dr. Martin Holdt, Reformed Baptist Association.

From the Introduction

*“Dr. Peter Hammond’s **The Greatest Century of Reformation** book is the most exciting and most inspiring book I have read in the past 25 years! Every young, Christian Warrior in the Kingdom of God needs to read, study and teach the character studies and doctrine of this book.”*

Dr. Jay Grimstead, Director of the Coalition on Revival - Convenor Global Church Council
