

The Power of Prayer Handbook is exactly what is needed to revive our prayer meetings.

Rev. Erlo Stegen the Founder of KwaSizabantu Mission wrote in the Foreword to [The Power Of Prayer Handbook](http://frontline.org.za/index.php?option=com_djcatalog2&view=item&id=11:thepowerofprayer&cid=1:resources-cat&Itemid=175): "Revivals are born in the atmosphere of true prayer. Desperate prayer. No Christian will ever grow spiritually if this part of his life is neglected. Prayer is not a monologue, it's a two-way conversation. We speak to God and we need Him to speak to us. The example of the Pharisee and the publican praying in the temple was used as an example of false and true prayer. The Pharisee prayed with himself (Luke 18:11), God didn't even come into the picture. Since his own life was not right with God it revolved around himself and brought no response from Heaven. The publican or tax collector on the other hand prayed from his heart in such a way that God immediately responded and Jesus could say 'He went away justified'. May this book by Dr. Peter Hammond serve to inspire many to pray in such a way that the power of God would be revealed."

Dorothea Scarborough, Chairman of the Christian Action Network wrote: "The Power of Prayer Handbook makes truly inspiring reading. It shows us the prayers of mighty men of faith, and calls us to more ardent and effective prayer. The author asks: 'Are you on fire for Christ? Lukewarm Christians make the Lord sick. We need to repent of half-hearted, worldly, superficial easy believism. We need doctrinal steel in our backbones and Holy Fire in our bellies. 'Is not My Word like a fire?' says the Lord, 'and a hammer that breaks the rocks in pieces?' (Jeremiah 23:29).' What can we say to that, except: Thank you Lord, for reminding us! The book is well illustrated with pictures of the Reformers and written in a simple, warm, and direct way which speaks to the heart. It will make a great difference in our personal, Church, and national prayer life."

It is our heartfelt prayer that readers will experience the power of dynamic Bible-based prayer through this practical handbook. Those who want to revive their prayer life, restore their church prayer meetings, and see the course of history changed by prayer, will want to obtain this handbook which includes chapters on prayer and the sovereignty of God, praying for the persecuted, praying for justice, the imprecatory Psalms, how to revive our devotional lives, and guidelines for extended prayer focus, national repentance and Revival.
